Schultz and Greiner join Metro Walls

January 06, 2011 - Northern New England

Metro Walls, Inc. has hired Carl Schulz and Bruno Grenier as project managers/estimators.

Schulz brings many years of experience as a project manager, estimator and field foreman. He is currently working on a 90,000 s/f assisted living project in Ossipee a very large church expansion south of Boston and many other projects throughout New England.

Prior to working at Metro walls, Greiner was president of Granite State Drywall for 17 years. His knowledge of the industry and years of relationships will certainly be a great asset to the company. He is currently working on a 5-story medical office building for Dartmouth Hitchcock in Nashua and an addition to an assisted living facility in Laconia. Combined, Schultz and Greiner, bring more than 40 years of experience to the company. Metro Walls specializes in metal stud framing, drywall and carpentry on commercial projects.
