January 13, 2011 - Front Section

Rocklyn Clarke of ABG Realty brokered the \$855,000 sale of 784-790 Tremont St., on behalf of the buyers, 784 Tremont St, LLC. The property formerly Sallie's Fish market, is a 3,656 s/f mixed used/retail building on Tremont St. The property has been vacant for over ten years and through displaying an extremely effective sales approach, the sale was concluded in less than 3 months.

The local community anticipates the improvements on the building will harmonize with the local architecture. The renovations consist of high-end residential condominiums to be performed by Haycon Inc. (the architect and the developer).
