Cruz Electric on schedule with Hamilton Canal district project

January 20, 2011 - Construction Design & Engineering

Cruz Electric is on schedule for an April completion of the electrical construction of a Lowell Hamilton Canal District revitalization project.

When complete, the structures in the project will include a 260,000 s/f courthouse, 725 housing units, 350,000 s/f of office space and R&D; 50,000 s/f of retail and restaurants, 900,000 s/f parking garage; and 3 open space parks.

Cruz is managing a field crew of 18 electricians.
