What your firm does now and its plans for the future? At Indoor Environmental, our product uses a green, organic enzyme that seeks out surface, air, and hidden mold and mold spores. This unique and innovative food grade plant enzyme technology is all-natural, poses no health risk, and is environmentally friendly.

Our services eliminate most deconstruction and rebuilding, which saves time and helps reduce the cost of mold remediation. Our non-invasive process allows you more time and money to spend on your business.
