Clifton Greim 2011

February 03, 2011 - Northern New England

Name: Clifton Greim, P.E.

Title: President / CEO

Company: Harriman

Location: Auburn, Maine

Place of birth and year: Lewiston, Maine, 1958

Family: Married with two grown daughters

College: University of Maine

First job unrelated to your current field: Mason tender

First job in current field: North American Philips, manufacturing engineer

What your firm does now and its plans for the future?: Harriman provides integrated architectural and engineering design services for educational, corporate, healthcare, retail, and government clients. We'll continue to build on innovation between the art of architecture and the science of engineering, and help clients realize their projects through this design collaborative and through innovative delivery processes.

Hobbies: Cook, flyfish, golf, racquetball

Favorite film: Dances with Wolves

Keys to success: A strong "can do" attitude; addressing the negative, but focus on the positive in all situations. Surround yourself with great thinkers.

Person(s) you most admire (outside of family): Lee Iacocca

If you had to choose a different profession, what would it be?: Education
