Washington St. is a mixed-use retail and apartment building located in Union Sq. that sold for \$1.2 million. The building consists of two retail and eight apartment units. The building, owned by a local family, was purchased by Gamma Realty Trust.

Thompson St. is a mixed-use building consisting of three retail and two apartment units. The building, owned by a local family, was purchased by a regional investor for \$800,000.

Horvath and Tremblay have created a group to manage the increased demand for the disposition of bank owned properties. The team recently handled the sale of a 12-unit apartment building in Springfield and a small local grocer in Lowell.
