Balint promoted to GSA operations manager for Arpin International Group

February 10, 2011 - Rhode Island

Scott Balint has been promoted to GSA operations manager of Arpin International Group.

As operations manager, Balint will be responsible for managing staff and the day-to-day business of Arpin International Group's GSA division.

"Scott has proven himself to be a highly professional and capable relocation coordinator and supervisor during his past nine years with us at Arpin International Group," said Chris Hood, vice president of GSA International at Arpin International Group. "His promotion to operations manager will greatly benefit our team here in the GSA division and add more value to our customers' experience. We look forward to seeing him perform in this new role."
