Sullivan Construction completes Caritas Holy Family Hospital renovation

February 17, 2011 - Construction Design & Engineering

Sullivan Construction, Inc. has completed the renovations at Caritas Holy Family Hospital for their new Phillips Bucky Diagnostic FS Standard equipment installation. The primary user is Andover Surgical Center.

Sullivan's project team was selected for its experience working in occupied spaces within the hospital setting, providing a safe working environment for the employees and patients adjacent to the job site. Sullivan's injections control risk assessment policy was adhered to and managed daily at the job site.
