Jewett Construction completed renovations at Pease International Airport

March 03, 2011 - Front Section

Jewett Construction Co., Inc. recently completed renovations at Pease International Airport.

Upgrades include site drainage improvements, an additional walkway from the airport terminal to three new bus shelters that were erected by Jewett's Metal Buildings division, and the resurfacing of old sidewalks in front of the shelters. Additional new lighting was also added along walkways leading to the shelters.

Jewett Construction is a Raymond, NH-based design-build/construction management firm specializing in commercial and industrial projects throughout the Northeast. Jewett is the parent company of Jewett Automotive Design & Construction and Jewett Metal Buildings and Steel Erectors, specializing in automobile dealership and construction and steel buildings, respectively. Collectively, their clients include such well-known organizations as Northeast Credit Union, SIGSAUER, Team Nissan, Exeter Hospital, and Manchester Community College. Additional information about Jewett Construction and Jewett Metal Buildings is available at www.jewettconstruction.com.
