William Raveis named marketing agent for Cranberry Hill Estates

March 17, 2011 - Connecticut

The New Homes Division of William Raveis Real Estate, Mortgage & Insurance has been selected as marketing and sales agent for Cranberry Hill Estates, Shelton's newest family community.

William Raveis has partnered with the builders of Cranberry Hill Estates, father and son team Tom and Shaun Nettleton. The Nettleton family has 30 years of industry experience building homes in New Haven and Fairfield Counties.

"Six homes have already been sold since January," said John Tarducci, senior vice president of William Raveis' New Homes Division. "It's a testament to the tremendous value these homes offer homebuyers - a maintenance-free lifestyle in a traditionally-styled Colonial farmhouse with all the luxurious touches you'd expect in a community of this caliber."

There are four different floor plans ranging in size from 2,000 to 2,900 s/f.

Cranberry Hill Estates is situated on three cul-de-sacs which provide a safe and quiet place to raise a family. It's located just minutes from highways, shopping, dining and recreational venues like the 15-acre Sports Center of Connecticut.
