Pro Con completes Rosemont Square clubhouse

March 17, 2011 - Construction Design & Engineering

Pro Con Inc. has completed Rosemont Sq.'s new clubhouse located at 99 Chestnut West. Pro Con Inc built the new clubhouse and an outdoor pool for the residential community, which is managed by Beacon Communities. Davis Sq. Architects was the architect for the Rosemont Sq. clubhouse and Shantec Consulting was the landscape architect.

The new 3,600 s/f clubhouse features a fitness room with rubber flooring and a juice bar, restrooms and Rosemont Sq.'s administrative offices. The clubhouse is centrally located on the garden-style apartment community's 38 acres.

As part of the project, Pro Con Inc replaced an existing outdoor swimming pool with a new 30 x 40 foot outdoor pool with extensive decking. The project scope included additional parking, drainage, lighting and extensive landscaping.
