Ouellette of Harriman earns architectural license

April 03, 2011 - Northern New England

Mark Ouellette, LEED AP, a designer for Harriman has received his professional license to practice architecture. Ouellette has worked for five years as a designer in the architectural studio.

At Harriman, Ouellette is working on an addition to an existing building at Portsmouth Naval Shipyard. Other projects include a new medical office building for Franklin Community Health Network in Farmington, a call center for an international bank in Auburn, and the 84 Marginal Way office building in Portland.
