Harriman hires LaPierre, Smith, Ireland and Fortier

April 03, 2011 - Northern New England

Jeff LaPierre, P.E., Patrick Smith, Denise Ireland, and Becky Fortier have joined Harriman, a full-service architecture and engineering firm with offices in Maine and New Hampshire.

LaPierre joins Harriman as a senior mechanical engineer with over 16 years of experience. LaPierre received a Bachelor of Science Degree in Mechanical Engineering from the University of Maine, and is a licensed professional engineer in six states. He is also a LEED Accredited Professional and a Certified Healthcare Facility Design Professional (HFDP).

Smith joins Harriman with 13 years of experience in civil drafting and design, and will be responsible for the AutoCAD production for the civil engineering department. Smith has an associates degree in Construction Management from Eastern Maine Community College.

Ireland joins Harriman as the Human Resources and Benefits Administrator with over 15 years of experience. She received her Human Resources Certification through USM, and also attended Husson University for accounting. She also has a Wellness Certification through USM. Prior to joining Harriman, Ireland was employed by the Maine Center for Cancer Medicine & Blood Center in Scarborough.

Fortier joins Harriman as an administrative assistant with 23 years of experience. She received an associates degree in Graphic Arts from Central Maine Community College.
