Business Best: Ashworth Mortgage Corp.

April 07, 2011 - Financial Digest

Ashworth Mortgage: Dick Ashworth and June Fish, who share over 60+ years of combined experience in commercial real estate, are the two principals of AMC and have been working together for over 20 years. As a result, each financing assignment has the benefit of a team approach, which is something that differentiates AMC. Our clients only deal with a principal of the firm and not a junior associate/underwriter with limited experience. Over the years, both Ashworth and Fish have garnered many awards, both as a team and individually.
