Webinar: Become a LEED AP and maintain your credential - May 5

April 21, 2011 - Green Buildings

NEXUS/a project of The Green Roundtable is holding a one hour webinar presentation on the new LEED AP specialty designations and maintaining your LEED Credential on May 5 from 12:30pm-1:30pm.

Questions that will be covered include: What are the new LEED AP specialty designations? How ill they differ from my current LEED AP status and what are the benefits? What resources are there to help me pass the exam? What are the requirements for maintaining the LEED AP Specialty credentials? If I'm a LEED Green Associate or LEED AP, what do I need to do to maintain my credential?

The new specialty exams include: Building Design and Construction (the old NC), Interior Design and Construction (the old CI), Operations and Maintenance (the old EBOM), Homes, and Neighborhood Development.
