Business Best - Martini Northern

May 05, 2011 - Northern New England

Established in 1999, Martini-Northern is a premier construction management firm based in Portsmouth, NH. We serve the building needs of clients across northern New England in the institutional, corporate and healthcare markets. Our highly trained team provides a full range of design/build, preconstruction, construction management and general contracting services.

Our professional staff has built a reputation for exceptional knowledge of the regional construction market. Working in both the public and private sectors - whether restoration/renovation, new construction, or tenant interior work - our strategic advantage comes from solid working relationships with regional subcontractors, coupled with our team's combined industry experience in northern New England. Originally established as part of A.J. Martini, Inc. of Winchester, Mass., our overall experience is rooted in Martini's 59-year record of outstanding performance.
