Business Best - C-Solar, LLC

May 05, 2011 - Connecticut

We are a renewable resources company with the ability to take care of all your renewable needs specializing in photovoltaic systems, but also experienced with solar thermal, geothermal, and spray foam installation.

Our professionals design and install systems for residential homes as well as commercial properties. We are an approved installer in NY (NYSERDA Program) and MA (Commonwealth Solar Rebate Program) for the Connecticut Clean Energy Fund rebate program. All of our licensed electricians and installers are in-house. We provide FREE site surveys for individuals or businesses considering a solar system.
