Business Best - The Care of Trees

May 05, 2011 - Connecticut

The Care of Trees is an award-winning, client-focused tree preservation firm that specializes in organic and environmentally sustaining tree care. The Care of Trees is the national leader in tree preservation solutions on land development sites. It is one of the largest and fastest growing employee-owned arboricultural firms in the nation, serving residential, commercial, institutional and governmental landscapes. The company has more than 350 employees and serves more than 60,000 clients. From the first call in to our offices to completion of a client's job and beyond, our focus is our clients and their trees. We know that our clients' trees are investments for the future, so we keep them informed every step of the way and place the needs of the client and their trees first.
