Business Best: Cohn & Dussi, LLC

May 12, 2011 - Financial Digest

Cohn & Dussi, LLC was established in the early 1990's as a civil litigation law firm with extensive experience in commercial litigation, creditors' rights, leasing, corporate law, bankruptcy, litigation, construction law and real estate. We emphasize a highly professional team approach to address and resolve each client's needs by drawing on the specialized knowledge of those best qualified to handle their unique situation. This team approach enhances communications, expedites resolution of the prevailing issues, and serves to contain the costs associated with representation. We pride ourselves on providing each client with efficient, responsive and cost-effective service. One obvious proof of Cohn & Dussi's success at achieving these goals is the caliber of the firm's clients and the loyalty of these clients.
