J. Calnan renovating Charles River Development space

May 19, 2011 - Construction Design & Engineering

Calnan & Associates, Inc. is underway with a project for Charles River Development located at 7 New England Executive Park.

The project team includes Equity, building owner; Spagnolo, Gisness & Associates, Inc., architecture; Facility Management Consultants, owner's representation and AHA Engineering, MEP/FPE.

Charles River Development signed a 10-year lease extension in the office park and will complete some major renovations to their space. In the course of 30 weeks and over 7 phases, the project team will add new paint and carpet throughout their space; completely demolish and rehab the 3rd floor to include new state-of-the-art offices as well as open workstations; transform the 4th floor to include cutting-edge conference rooms and executive suites complete with a custom reception area; and update the 1st and 2nd floor offices.
