IFMA Boston's Facilities

Asset Management Seminar

at NEBFM

IFMA Boston's Asset Management Task Force has developed a ground-breaking program which successfully identifies Asset Management principles and best practices that affect the life cycle management of buildings. This program helps the FM to deliver consistency across O&M activities and turn managing facilities into an efficient, cost effective enterprise. This seminar will be held in two parts, focusing on the four main categories of issues that cover existing and new asset portfolios: Operations and Maintenance, Condition Assessment, Capital Planning, Design & Construction.

June 15th - IFMA Boston's

Cocktail Party at the NEBFM

After you have visited the NEBFM and Expo on Wednesday June 15th, come by the IFMA Boston Cocktail Party at Papagayo from 5-7 p.m. at 283 Summer St. You must be registered for NEBFM and have your badge in order to attend.

Come support IFMA Boston members at the NEBFM!
