Redstone names Casey director of property management team

June 28, 2011 - Northern New England

Kevin Casey has joined Redstone as the director of the property management team.

Casey has always had an interest in real estate, architecture and urban planning. After graduating from the University of Buffalo in 1996 he pursued his graduate work in Urban Planning with a focus on historic preservation at the University of Buffalo School of Architecture and Urban Planning.

Previously, Casey worked for Montpelier Property Management, managing residential and commercial properties.

Redstone, founded in 1992, is a full service property management agency that provides a range of commercial real estate services including brokerage, development, property management, and construction. Redstone has over 1 million s/f under management in the Champlain Valley.
