Jasie of Pioneer Financial Group, LLC closes \$3 million loan for LGL, LLC

July 07, 2011 - Financial Digest

Pioneer Financial Group, LLC recently placed blanket financing in the amount of \$3 million on behalf of LGL, LLC. Managing member Sean Jasie worked with the borrower in securing the loan.

The loan blankets four properties the borrower owns. One property is commercial building located at 612 Blue Hill Ave. The property is a mix of office space and street level retail space. Two other properties are standalone retail buildings located on the South Shore. The last property is another retail/office mixed-use building that is currently undergoing renovation. The other properties were refinanced to finance the completion of construction and tenant fit out for this building.

The blanket note has an interest rate below 6%, fixed for 15 years with a 25-year amortization. The borrower was pleased to lower their rate on all properties and to get rid of a high interest construction loan on the fourth building.

"This request had a lot of moving pieces, but the lender had the ability to cut through the red tape and get this intricate deal done. At a time when many institutions are sitting on the sidelines, our lending source stepped up to the plate and provided our client with a great loan. Our client cut their overall debt service by a large percent, consolidated multiple loans into one facility and now has the ability to complete their construction project," said Jasie.

Pioneer Financial Group is a commercial finance company headquartered in Quincy, MA that offers brokerage, consulting, appraisal and insurance capabilities to commercial clients in need of financing.
