Northstar Construction receives recognition from Carlisle SynTec Inc.

August 04, 2011 - Owners Developers & Managers

Carlisle SynTec Inc., a manufacturer and supplier of single-ply roofing systems and products, recently honored Northstar Construction Services Corp. with the 250 Hall of Fame Award. Presented to Carlisle authorized applicator firms for outstanding quality workmanship, this award is based upon completed roofing system inspections performed by Carlisle field service representatives who rate each project on a scale of 1-10, 10 being a flawless application. Northstar has attained more than 250 of these perfect ratings.

NorthStar is a full service roofing contractor with an emphasis on customer service. Their philosophy is to handle all aspects of a roofing project in house, ensuring 100% satisfaction from start to finish and beyond. By providing quality workmanship in every detail, NorthStar is focused on one goal - maximizing each roofing investment by offering superior service that extends the life of a roof and lowers its lifecycle costs.

Carlisle SynTec Incorporated, with more than 2,600 authorized applicators, recognizes Hall of Fame award recipients as a most elite group of roofing contractors.

Carlisle SynTec Incorporated has been a leading manufacturer of single-ply roofing systems and products for more than four decades.
