Elkus Manfredi Architects to design 82,000 s/f Brightcove site

August 18, 2011 - Construction Design & Engineering

Elkus Manfredi Architects has been selected from a field of 12 competing firms to design the new 82,000 s/f headquarters of Brightcove, the cloud content services company. The headquarters will be located in the recently completed Atlantic Wharf building on Boston's waterfront close by what city officials have dubbed the "Innovation District".
