## **Roth and Moynahan of Cushman & Wakefield renew 23,276 s/f lease for Veracode**

August 25, 2011 - Front Section

According to Cushman & Wakefield (C&W), Veracode has renewed its lease of 23,276 s/f at 4 Van de Graaff Dr. C&W's executive director Mark Roth and assistant director Michael Moynahan represented Veracode, while FHO Partners' Duncan Gratton represented the landlord Normandy Real Estate Partners.

"Veracode evaluated all of its options in the market prior to making the decision to stay," said Roth, who leads C&W's Rte. 128 west team. "4 Van de Graaff's Burlington location provides Veracode with outstanding neighboring amenities and terrific highway access, and that ultimately made the difference."

Veracode provides the world's leading Application Risk Management Platform. Veracode SecurityReview's patented and proven cloud-based capabilities allow customers to govern and mitigate software security risk across a single application or an enterprise portfolio.

### About Veracode

Veracode is the only independent provider of cloud-based application intelligence and security verification services. The Veracode platform provides the fastest, most comprehensive solution to improve the security of internally developed, purchased or outsourced software applications and third-party components. Veracode enables scalable, policy-driven application risk management programs that help identify and eradicate numerous vulnerabilities by leveraging best-in-class technologies from vulnerability scanning to penetration testing and static code analysis. Veracode works with customers in more than 80 countries worldwide including Global 2000 brands such as Barclays PLC and Computershare as well as the California Public Employees' Retirement System (CalPERS) and the Federal Aviation Administration (FAA).
