Anderson joins E.S. Boulos Co.'s safety department

September 01, 2011 - Front Section

David Anderson has joined E.S. Boulos Co.'s safety department and will be handling overall safety and environmental inspections for the company's Utility Division Overhead Transmission Line project, which will run from the Rumford Falls substation to the Roxbury, Me. substation. Anderson brings over 35 years experience in the overhead line construction business to the company.
