Crouteau, Karkovice and Lidestri join Vision 3 Architects

September 08, 2011 - Rhode Island

Vision 3 Architects has hired Rene Croteau, Jill Karkovice and Katie Lidestri.

Croteau has joined as a job captain. He joins the Corporate Office Team and is involved in all phases of a project. He is currently working on a project for Providence Community Health Centers that involves the historic restoration of a mill building in Providence.

Karkovice has joined as an Interior Designer. She brings over five years of experience to Vision 3. Her experience includes the interior design of corporate offices, institutional spaces, and government projects. In her role at Vision 3, Jill is responsible for all phases of interior design. She is currently working on projects for Hanna Instruments in Smithfield and Delta Dental in Providence.

Lidestri has joined the firm as Marketing Director. She brings over seven years of experience to Vision 3. She received her Bachelor of Science degree in Marketing from the University of Rhode Island.
