New Members of the Boston chapter of IFMA

October 06, 2011 - Owners Developers & Managers

* Colby Fillippelli is a facility manager with Jones Lang LaSalle at Novartis. Fillippelli has been in the facility management field for 12 years from office space environments to life sciences. Previous to facility management, he worked as a Technician in Boston. He is currently obtaining his FMP and will continue educational courses to achieve his CFM through IFMA approved courses.

* Mark DeVeau, P.E. is an associate with TMP Consulting Engineers, Inc. After graduating from Northeastern University with his BSEE, DeVeau began his career as an electrician in the electrical construction industry. He subsequently worked at Harvard University for nearly 20 years managing the campus high-voltage distribution systems from operations to metering and billing. He decided in 2007 to apply his background experiences to the design profession with TMP Consulting Engineers in Boston as a registered engineer and has subsequently become a shareholder in the firm.

* John Crowley is a capital / infrastructure senior project manager with South Shore Hospital in Weymouth, Mass. Crowley has been in the project management field for over 12 years in the New England area. After studying in Ireland, Crowley graduated from Wentworth Institute of Technology in 1989.

* Annmarie Coyne is a graduate of Stonehill College and her past experience has been as a sales representative & manager at a furniture dealership. Presently, she is a multi line contract furniture and architectural product representative for Ritz Associates in Boston.
