Abbey Group completes new 4,200 s/f lease for Diagnostics For All

October 13, 2011 - Front Section

The Abbey Group recently completed a lease agreement with Diagnostics For All on the first floor of Riverside Technology Center at 840 Memorial Dr. The company will occupy approximately 4,200 s/f. "We are thrilled to welcome Diagnostics For All to Riverside Technology Center, and know they will continue their great work at their new location on Memorial Dr.," said Alan Goodman, senior vice president for The Abbey Group. "The labs at Riverside Technology Center continue to be a desirable destination for many innovative biotech start ups in Cambridge."

Diagnostics For All (www.dfa.org) is a non-profit enterprise fusing biotechnology and microfluidics, dedicated to creating low-cost, easy-to-use, point-of-care diagnostics designed specifically for the 60% of the developing world that lives beyond the reach of urban hospitals and medical infrastructures.
