North Branch Const. and Udelsman Associates build \$1.4m fire station

January 23, 2008 - Front Section

Design/build contractor, North Branch Construction, Inc. of Henniker, NH has completed construction of a new 7,800 s/f 66'x122' fire station for the town of Mont Vernon. The building features masonry block with wood walls and wood roof trusses, cement board siding, asphalt shingles and radiant heat in the slab. North Branch Construction and Udelsman Associates of Hollis, NH teamed up for this \$1.4 million project.

North Branch Construction's recent projects include the \$5 million Squamscott Block (workforce housing) in Exeter, NH, a 39,500 s/f hangar for AERO-HEX at the Manchester-Boston Regional Airport and the new \$7.8 million Silver Level LEED Certified Portsmouth Public Library in Portsmouth, NH.
