State Electric Corp. appoints Wilson director of sales and estimating

November 03, 2011 - Front Section

According to State Electric Corp., Dan Wilson has joined the company as director of sales and estimating. A construction industry professional with more than 25 years experience in the Greater Boston market, Wilson will work with the company's electrical construction and utility power groups in business development and client relations.

State Electric Corp. serves a wide range of clients in the healthcare, biotech, commercial, educational, institutional, and industrial markets throughout Eastern Massachusetts and utility clients nationwide. The company is a member of the National Electrical Contractors Association (NECA) Boston Chapter and a signatory contractor to IBEW Local 103.
