Associated Subcontractors of Mass introduces new Verizon Wireless discount

November 17, 2011 - Construction Design & Engineering

ASM has announced a new benefit exclusively for ASM members - 22% corporate discount on monthly access fees, 35% off accessories, and 18% discount for employees on their personal lines. These excellent rates are made possible through our partnership with National Purchasing Partners (NPP). NPP is a non-profit "group purchasing organization" with 35 years experience offering discount programs and services to associations nationwide. This deal with Verizon is offered only to the construction industry, and requires just a 5-line minimum.

For more information about this program and other member discounts please visit the ASM website at www.associatedsubs.com.
