Associated Subcontractors of Mass celebrates successful 2011 GC Showcase

November 17, 2011 - Construction Design & Engineering

ASM members enjoyed an evening with the GC's on November 1 at the Westin Hotel. The 2011 ASM GC Showcase featured 14 of the area's leading general contractors and provided subcontractors with a rare opportunity to talk directly to key members of the firms. The meet and greet, open format was well received by members and GC's alike - many indicating that they would like to see the event held again next year.
