The 21,000 s/f brick building, recorded in the National Register of Historic Places, was originally built in the 1850s as a part of the state prison complex. It transitioned to use as a car dealership in the 1940s and is now an office building with multiple professional and personal service providers.

Attorney's Tim Britain of Cleveland, Waters and Bass, P.A. and Simon Leeming of Preti Flaherty facilitated the transfer.

Financing was provided by Don Bennert, Merrimack County Savings Bank.

NTC plans for new improvements to the building.
