December 22, 2011 - Front Section

R.W. Holmes Realty Co., Inc. recently completed the leasing of 23,035 s/f at 33 Boston Post Rd. to two tenants. Environmental Chemical Corp. expanded and renewed in 18,231 s/f and East Coast Cad/Cam leased 4,804 s/f on the 6th floor. In both transactions, the R. W. Holmes team of Garry Holmes, Craig Johnston, and Jim Bartholomew represented the landlord, KS Partners. Environmental Chemical Corp. was represented by Hank Amabile and John Coakley of Grubb & Ellis, East Coast Cad/Cam was represented by Phil Desimone of Jones Lang LaSalle.

"These transactions represent a tremendous amount of collaboration between all parties involved and is a great way to kick off our leasing campaign at our most recent acquisition," said Chris Devaux senior vice president of asset management for KS Partners. "It is a Class A facility, that attracts new companies like East Coast Cad/Cam. Additionally, we were able to accommodate Environmental Chemical Corporation by extending their term, giving them more space, and providing them very attractive lease rates."

33 Boston Post Road is a first class 113,600 s/f office building located less than one mile from I-495 and the Mass. Pike. KS Partners purchased the building just over a month ago. They currently own more than 2.1 million s/f of real estate in the northeast.
