Noyes of Warrenstreet Architects earns Society of Design Administration's Certified Design Firm Administrator

January 05, 2012 - Northern New England

Wendy Noyes, business manager and member of the cooperative, of Warrenstreet Architects has earned the credential of Certified Design Firm Administrator (CDFA) after completing the CDFA exam developed and administered by the Society for Design Administration. Noyes has been with Warrenstreet since 2001 and received her associates in Business Administration from Hesser College.

Established in 1959, the Society for Design Administration (SDA) is the largest organization directed to architecture/engineering/construction administration.
