January 05, 2012 - Owners Developers & Managers

Lamprey Health Care celebrated the launch of their new location built by North Branch Construction with a ribbon cutting ceremony. The addition and renovation of the former Home Health & Hospice Building located at 22 Prospect St. is now home for the new Lamprey Health Care center.

North Branch is also pleased to contribute a \$25,000 donation to Lamprey through the Community Development Investment Program. This program is designed as a fundraising tool for nonprofit community development organizations, cooperatives, and municipalities to raise much needed money for their causes.
