Goody Clancy celebrates dedication of Griffin Hall Center for Informatics

January 12, 2012 - Front Section

Goody Clancy recently celebrated the dedication of Griffin Hall Center for Informatics at Northern Kentucky University. Informatics is the application of digital technology in a broad variety of fields and one of the fastest growing areas of inquiry in higher education.

The project team includes: Goody Clancy (design architect and architect of record) led by principal Rob Chandler, AIA, LEED and project manager Ray Urban, AIA, LEED; McGill Smith Punshon Inc. (associate architect and civil engineer); Turner Construction (general contractor); KLH Engineers (plumbing, fire protection and IT engineer); Richmond So Engineers, Inc. (structural engineer); Cosentini Associates LLP (HVAC and electrical engineer); Vivian Llambi & Associates (landscape architect); Theatre Projects Consultants (theatre/performing arts consultant); Acentech (AV/acoustical consultant); and Vermeulens Cost Consultants (cost consultant).
