O'Donnell of TFMoran receives professional engineer license

January 26, 2012 - Retail

Michael O'Donnell, PE recently received licensure as a Professional Engineer on the Civil-Highway and Environmental rosters. O'Donnell joined TFMoran Inc. in 2001 and serves as a senior traffic engineer and project manager. He is responsible for the management, engineering design and permitting of land development and traffic projects. O'Donnell's experience includes residential, commercial and municipal projects from very small to multi-million dollar facilities. He is also a Certified Erosion, Sediment and Storm Water Inspector (CESSWI).

O'Donnell has dual Bachelor of Science degrees in Bioresource Engineering with a civil and an environmental focus from Rutgers University.
