EBC to hold 8th Annual Environmental & Energy Career Day - April 13

March 22, 2012 - Green Buildings

The Environmental Business Council is pleased to announce that we are holding our 8th Annual Environmental & Energy Career Day on Friday, April 13th. The event is a great opportunity for environmental professionals, recent graduates and students to learn about environmental and energy career opportunities in New England.

The Career Fair features regional leaders in environmental and energy engineering, consulting, policy, as well as government agencies and non-profits. This event is complimentary for job seekers. The career fair will be held on Friday, April 13th, at the Lenox Hotel in Boston. The event is scheduled to begin at 11:00 a.m. and will last until 3:00 p.m. Registration is currently open on the EBC website, www.ebcne.org.

This event will also include two panel presentations:

What's out there? The variety of jobs in the environmental sector

- * Environmental consultant
- * Environmental engineer
- * Nonprofit representative
- * Government representative

How social media can help and hurt your job search and success

- * How social media can hurt
- * How social media can help

If you are a company and are interested in having a booth at the Career Fair, please contact Ann Gisinger, operations and events coordinator, at ebc@ebcne.org

For more information on the Career Fair and to register as a job seeker or showcasing company, please visit the EBC website, www.ebcne.org.
