ICSC New England hosts Next Generation April 27th

March 29, 2012 - Front Section

ICSC New England Next Generation committees are hosting their retailers' showcase initiative on April 27th at Mohegan Sun. This program will allow new and growing retailers from New England to learn about ICSC and to hear from an industry expert about state of retail.

There will be an opportunity to present their brands and expansion plans to the shopping center industry and to participate in a private networking opportunity with other emerging retailers and real estate professionals from some national and international retailers.

Luncheon keynote speaker: John Glascock, director, University of Connecticut Center for Real Estate and Urban Economic Studies

This ICSC networking program is specifically designed for retail real estate professionals who are seeking to develop or advance their careers and build relationships in the shopping center industry. The Next Generation program offers an opportunity to meet and interact with peers, share experiences, and exchange ideas. Next Generation events also welcome seasoned professionals who wish to give back to the industry by becoming a mentor. ICSC members and non-members are welcome to attend.
