James and Daly of NAI Hunneman represent lifelIMAGE in 13,600 s/f lease

April 19, 2012 - Front Section

NAI Hunneman's suburban leasing group brokered a 13,600 s/f lease on behalf of lifelIMAGE at 300 Washington St.(Gateway Center).

lifelIMAGE, which has designed a software platform that allows diagnostic images to be sent, received and opened wherever they are needed, will lease office space on the second floor of the building. This location will be the company's corporate headquarters and will significantly increase the amount of space occupied by lifelIMAGE in the building.

Steve James and Brendan Daly of NAI Hunneman represented lifelIMAGE. The landlord, J.F. White, was represented by John Dolan of Colliers International.

"Our client initially subleased a small office at Gateway Center three years ago, and has grown incrementally since then, so it's a nice success story for the tenant and the landlord that lifelIMAGE has now become the largest tenant in the building." said Daly.

NAI Hunneman's suburban leasing group includes James, Daly, James Boudrot, Evan Gallagher and Michael McCarthy. The team specializes in the representation of tenants and landlords in the Greater Boston suburbs and along Rte. 128 and I-93.

Also known as One Gateway Center, 300 Washington St. is located in a 9-story, 185,000 s/f office building with first-floor retail space. One Gateway Center is part of a mixed-use complex that includes the Crowne Plaza Newton Hotel, which was built over the Mass. Turnpike near exit 17 in Newton Corner. One Gateway Center is home to a mix of small to mid-sized companies.

About lifelIMAGE

lifelIMAGE provides a broad set of solutions for universal e-sharing of diagnostic imaging information. These products connect hospitals, radiology groups and physicians to their patients everywhere. lifelIMAGE makes it possible to securely deliver or receive patient imaging information wherever needed from wherever the information originates.
