Ryan of Connecticut Commercial brokers 3,000 s/f lease

April 19, 2012 - Connecticut

Connecticut Commercial Realty leased 3,000 s/f located at 27 Quality Ave. Christy Ryan, from the firm's Somers office, represented both the landlord and tenant in a dual agency capacity. Peaceful LLC, the new tenant, is a business providing adult day care. The agency provides attentive, professional, personal care assistants who have been trained to meet individualized client and family needs.

The business owner, Joy Mason RN, MSN, CMC, is a Masters prepared Public Health Registered Nurse, a nationally certified Geriatric Care Manager, and is certified in end-of-life care. Mason said, "Peaceful LLC assists elders in memory support and cognitive stimulation and provides services for medically complex elders in need of quality care. Peaceful LLC provides respite for families and maintains a quality of life for elders at home or in the home setting of its adult day care."

Mason describes Peaceful LLC formation based on the belief that quality healthcare can be achieved in the community and at home within a caring village of community support. Somersville is that village. Their entire team is committed to meeting the needs of clients and families in Somers and surrounding towns.

Ryan continues to market one remaining space in the restored mill building on Quality Ave. The brick structure built in 1950 has been completely renovated and offers everything a modern business needs all within the original brick walls and exposed beams.
