Jewett Construction to build 9,600 s/f facility for NH Motor Speedway

May 03, 2012 - Front Section

Jewett Construction Company, Inc. has contracted with NH Motor Speedway to build a Service Utility building at 1122 Rte. 106 North.

The three-and-a-half month project includes the construction and interior fit-up of a new, 9,600 s/f multi-use metal building to house ambulances for track use, a vehicle wash bay for track vehicles, seasonal quarters for the owner and Speedway staff, and a Legends parts showroom and retail store. Jewett's project manager for the job is Steve Harris; project superintendent is Steve Sousa.

All metals work will be performed by Jewett Metal Buildings & Steel Erectors, a division of JCCI.

Jewett Construction Company, Inc. is a Raymond, NH-based design-build / construction management company celebrating 40 years as a family-owned and operated firm specializing in commercial and industrial projects throughout the Northeast. Clients include such well-known organizations as Northeast Credit Union, LAARS Heating Systems, SIGSAUER, The Grappone Automotive Group, Exeter Hospital, and Manchester Community College.
