Flynn Construction breaks ground on 13,100 s/f Evolution Rock + Fitness: design for \$2.8 million project provided by Hilary Harris AIA

May 03, 2012 - Northern New England

After nearly a year since the city approved their site plan, Evolution Rock + Fitness officially broke ground for a new \$2.8 million facility on March 20.

Flynn Construction Corp. has begun construction of the new facility on Langodon Ave., located across from S&W Sports on South Main St. The Hilary Harris, AIA designed energy efficient 13,100 s/f steel facility will house the largest climbing gym in northern New England with more than 14,500 s/f of climbing.
