SIOR CT chapter awards University of Connecticut scholarships

May 17, 2012 - Connecticut

The Connecticut/Western Massachusetts Chapter of the Society of Industrial and Office Realtors (SIOR) has announced the recent University of Connecticut scholarship recipients for the spring semester.

The scholarships are funded from the chapter sponsored Sam Pierson and Carl Traub Scholarships, with matching funds provided by the SIOR Foundation. The chapter, along with the SIOR Foundation support national scholarship programs in excess of \$100,000 each year.

The Connecticut/Western Massachusetts SIOR Chapter has two scholarship funds: The first is in honor of Samuel Pierson, a long-time member and past national president of the society, and the other in memory of Carl Traub, another long-time chapter member who had a significant positive impact on the commercial real estate industry. The chapter's scholarships are supported with matching funds from the SIOR Foundation (SIORF). The Connecticut/Western Massachusetts chapter is one of forty-six chapters of the prestigious international organization, the Society of Industrial and Office Realtors. Commercial real estate professionals must meet rigorous requirements to earn the SIOR designation. SIOR, based in Washington, DC, has more than 3,000 members in 630 cities and 29 countries and was founded in 1941. SIORs are top producers who are required to complete an educational recertification program every three years. This assures those who need the services of a commercial real estate agent that the SIOR has achieved continued excellence.

The SIOR Foundation's mission is to promote and support initiatives that expand, educate, and enrich the commercial real estate community. Established in 1962 to publish the industry's first graduate level text book on industrial real estate, SIOR Foundation has maintained its dedication to expanding and understanding the commercial real estate industry. The Foundation has a matching scholarship program available to the various local SIOR chapters.

The chapter is delighted to acknowledge the scholarship recipients Brittani Clayton, Alyssa Coughlin, Grant Fecteau, William Gakidas, Michael Hovey, Brian Kaukas, and Seth Rosenberg.
