May 24, 2012 - Retail

Jonathan Gordon and Joan Simon of Admiral Real Estate Services Corp. have been recognized as CoStar Power Brokers by CoStar Group, one of commercial real estate's leading independent research firms. This annual award recognizes the "best of the best" in commercial real estate brokerage by spotlighting the U.S. firms and individual brokers who closed the highest transaction volume in commercial property sales or leases for the entire year of 2011 in their respective market. Gordon and Simon qualified as top retail brokers in the Westchester/Connecticut real estate market based on the total leasing transactions closed during the year. "CoStar Group is very proud to recognize the select few commercial real estate brokerage firms and brokers who performed at the industry's highest level and achieved remarkable sales and leasing success in 2011," said CoStar Group founder and CEO Andrew Florance. "These top performers truly represent the best of the best in commercial real estate, and they deserve to be recognized for their proven deal-making abilities. We congratulate Gordon and Simon on their impressive professional accomplishment."
