Phase Zero Design merges with MJ & Assoc. and names new hires

June 21, 2012 - Retail

Phase Zero Design has merged with MJ & Associates, a local architectural firm founded by Mark Joyce AIA.

"Mark and I have worked together for many years prior to establishing our current practices and it's great to be working with him again," said Jim Kimball, managing principal of the firm's Duxbury, Mass. office.

"Joining Phase Zero Design provides us the resources to meet the demands of a growing client list. This is the classic case where we are stronger together than we are operating separately." said Joyce.

Phase Zero Design has welcomed new members to their team.
