BOMA's upcoming events scheduled for 2008

February 14, 2008 - Connecticut

Our program committee has been meeting to put together some great programs for 2008. The February 28th program is a 'must attend' for all owners, managers, brokers, and service providers. Come hear from Ray Melio of the RVI Group, Brian Baker of GE, and Phil Mobley of Kingsley Associates. They will be discussing what lurks behind the corporate real estate tenant's mind, what makes or breaks the decision to lease your space, and what you need to do to keep them in your building. What amenities are they looking for, and what must you provide them to suit their operation and corporate culture? Hear from a tenant's perspective on what you do and how well you do it. Sponsoring this luncheon program is Acme Sign.

In March, the program will be "Regional Economic Development." How do companies decide which city to locate in? Thanks to Tri-State High Rise Services for sponsoring this luncheon program. The May program will be a "Green Expo." What's the newest, most unique and meaningful 'green' initiatives being used today in operating a facility? This event will be held at High Ridge Park in Stamford. The June golf outing will take place on June 10th at the beautiful Woodbridge Country Club. Thanks to our golf sponsor, Culbertson Company of New York.

Watch your mail for more information on these upcoming events.

Robert Hartt of The Ashforth Company is president of Southern Connecticut BOMA.

Thanks to our Annual Sponsors for 2008:
